

## TECHNICAL DATA SHEET

### PRODUCT DESCRIPTION

Date: July 29, 2020

PRODUCT NAME: TCP-2D

TYPE: Spherical aluminum powder : Thermal management industry

### PRODUCT SPECIFICATION

Characteristics	Typical value	Unit	Test Method
Screen analysis +325 Mesh	0.10 Max	%	Wet screen

### INDICATIVE VALUES

Characteristics	Typical value	Unit	Test Method
Chemical Analysis:			
Free Aluminum	99.70	%	by Weight
Iron	0.16	%	by Weight
Silicon	0.05	%	by Weight
Average particle size			
d10	0.5	µm	Helos
d50	1.4	µm	Helos
d90	2.9	µm	Helos

### SHELF LIFE

12 months from production date

### ASSOCIATED SAFETY DATA SHEET

Refer to safety data sheet - MSDS code: TA-104

The data given in this technical data sheet are in accordance with the current status of our knowledge and experience. Technical details and information on our products are given as technical quality description and do not imply guaranteed properties in the legal sense. We reserve the right to modify any product data as a result of technical progress or new developments in the manufacturing process.
