

# TYPICAL PROPERTIES DATA SHEET

Product Name      Non-Leafing type Aluminium Paste  
**UTF-410**

Date                      May / 2019

## **Identification**

Name of manufacturer      TOYO ALUMINIUM K.K.  
Name of section              Technology Development Dept.  
   Powder & Paste Headquarters

Address                      228-1 Shinmachi, Katsuragi-City  
   Nara-Pref., JAPAN

Telephone number          81-745-69-3091  
Fax number                    81-745-69-6972

General name of product    Aluminium Paste

## **Ingredients**

Material or component	%
Aluminium flake	58 ~ 61
Oleic Acid	<3
Medium aliphatic solvent/Light aromatic solvent	36 ~ 42

## **Chemical and Physical Properties**

Nonvolatile content (%)	59.0 ~ 61.0
Specific gravity (by calculation)	1.4
Particle size(*) (D50 $\mu$ m)	10

(\*)Not standardized(Typical value)

Print date : Jun-10-2019
