

## TYPICAL PROPERTIES DATA SHEET

Product Name      Non-Leafing type Aluminium Paste  
**5680NS**

Date                      Jul. / 2012

### **Identification**

Name of manufacturer      TOYO ALUMINIUM K.K.  
Name of section              Technology Development Group  
   Paste Development & Sales Dept.  
   Paste Headquarters

Address                      228-1 Shinmachi, Katsuragi-City  
   Nara-Pref., JAPAN

Telephone number          81-745-69-3091  
Fax number                    81-745-69-6972

General name of product    Aluminium Paste

### **Ingredients**

Material or component	%
Aluminium flake	68 ~ 71
Oleic Acid	<2
Medium aliphatic solvent/Light aromatic solvent	27 ~ 32

### **Chemical and Physical Properties**

Nonvolatile content (%)	69.0 ~ 71.0
Screen analysis (min. through%)	99.9 (45µm)
Specific gravity (by calculation)	1.6

Print date : Feb-03-2014
