

# DzBh DZ-4014

Thermoplastic Elastomer  
Styrene-Butadiene Block Copolymer

## Brief Introduction

DzBh DZ-4014 is a linear styrene-butadiene block copolymer.

## Specification

### Characteristic of DZ-4014

Property	DZ-4014
Molecular structure	L
Styrene Content, %	31±2
Di-block Content,%	16±2
Melt Flow, g/10min.	8±2
Hardness Shore A.	68±5
Tensile Strength, Mpa	≥17
Elongation, %	≥600

Note: Values are typical unless otherwise specified.

## Packaging

SBS DZ-4014 is fluffy granule, packed in 18kg paper bags.
